OUTREACH

Most of the Dorm Squad moved into their dorm rooms on August 12th, a few days before other students moved in. This freed them up to join Move-In Crew and to lead Destination Iowa State groups.

For the move-in crew, we were very blessed with temperatures in the mid-70s and low 80s with an epic breeze. It was a joy to welcome new students and their families to campus and help them settle into their new homes. Nathan, Nolan, Taw, Kolby, and Heather helped with move-in crew. Destination Iowa State is a 3-day long event filled with activities for new students to learn about Iowa State, meet other students, and participate in fun games and activities.

Hannah, Justin, Jaber, and Roney all led a group of new students. Throughout the first few weeks of the new school year, CF hosted multiple outdoor game events in the evenings. Students gathered to play speed volleyball, spike ball, cornhole, play cards, etc.

Our official kickoff event was Saturday, August 19th where we played yard games, enjoyed a delicious meal (provided by the young adults community group), and ended with a gospel presentation and personal testimony from our Campus Fellowship director, Toby.

BIBLE STUDIES

Bible Studies are made to have fellowship together around the Word of God. We come together weekly to ask honest questions, build friendships, and dig deep into God's Word in small groups. In Helser, we currently have three Bible Studies, two on Monday nights and one on Tuesday night. Additionally, each group typically enjoys a meal together beforehand.

COSTUME PARTY

Students in Campus Fellowship gathered together in fun costumes at Stonebrook Church Saturday, October 28th for fellowship, games, and to act out fun skits. Below are a few pictures of dorm squad students and their costumes.

WOMEN'S OUTREACH

To bless the girls on our floors, the women in our church met for a sweet night of tie-dying socks and preparing chocolate-dipped pretzel rods. We handed out these personalized gifts to more than 100 girls across four floors!

PRAYER

We have been able to meet so many new faces and share Christ through the body. We would love for you to join us in lifting up all of the students we have interacted with, whether in big or small ways, to the Lord. That they would see Christ in us and that God would reveal their need for Him. Pray for soft hearts as we boldly share the truth with others.

- Pray that we would sense the urgency and opportunity we have to love the lost.
- Pray that God would protect us from being deceived, distracted, and anxious.
- Pray that He would give us indescribable confidence in who He says He is.
- Pray that our dependency on the Lord and our love for Him will grow.
- Pray that the Lord will give us a greater heart for his mission.
- Pray for unbelievers in the dorm, that they would have soft hearts and be ready to hear the gospel.
- Pray for new curious people to join our dorm Bible studies.
- Pray for greater unity in the dorm squad, Campus Fellowship, and our Church.
- Pray that the Lord would continue to sanctify us and that we would seek to know him more.
